A PLACE OF
OPPORTUNITY

Since 1975, the Newcastle Business School has offered high-quality postgraduate business education, including one of Australia's first MBA programs, to International and Australian students.

At its new location in Sydney, the Newcastle Business School will offer cutting-edge Masters Degrees in **Business and Professional Accounting**. All programs run at our new location are taught and managed by the University of Newcastle, Australia.

We are now accepting applications for our Sydney postgraduate programs commencing Trimester 3 (31 August) 2009. The postgraduate programs are:

- Master of Business
- Master of Professional Accounting
- Master of Professional Accounting (Advanced)
- Master of Professional Accounting/Master of Business

In addition, we are planning to offer the preparatory program:

- English Language Intensive Courses for Overseas Students (ELICOS)

The University of Newcastle's Sydney-based programs balance the benefits of studying with a high-ranking, long-established institution with easy access to the conveniences of Sydney's CBD and surrounding areas.

The degrees in Professional Accounting are accredited by two professional accounting bodies in Australia: CPA Australia and The Institute of Chartered Accountants in Australia (ICAA). Students completing the Master of Professional Accounting and the Master of Professional Accounting (Advanced) will meet the academic requirements for Associate Membership of CPA Australia and enrolment in the CPA Program as well as for enrolment in the Chartered Accountants Program of the ICAA.
