

Each year, OzTREKK receives thousands of applications for dental schools in Australia. We ensure every application we submit is not only eligible, but also considered competitive. Because of this, OzTREKK students are among the most competitive international applicants, having high offer rates.

We have reviewed all applications submitted for the February 2021 intake to determine these competitive scores. As OzTREKK submits thousands of applications each year, we are uniquely positioned to gather and share this information with our students. This information is not otherwise available.
