

## **Curtin University MBBS Personal Statement**

### **Plan for 6-month Period Prior to Course Commencement**

The Bachelor of Medicine, Bachelor of Surgery program at Curtin University is *only* available to

- applicants coming directly from Grade 12 without any postsecondary studies; or
- applicants with a *fully* completed undergraduate degree. Those with partial postsecondary studies are ineligible to apply.

#### **Instructions**

Outline your plans for the time between graduating and Curtin MBBS program commencement (February 2027). If you plan to enrol in university during this time, you must indicate that you will withdraw *before* census.

#### **Sample 1**

My plan between June 2026 (graduation) and February 2027 (Curtin MBBS commencement) is to begin undergraduate studies at (university name) in the (program name) in September 2026.

I've planned this path so I can develop an understanding of university-level research and scientific knowledge.

I understand that I am required to withdraw from this course of study prior to receiving course credit if I am offered a seat in the Curtin MBBS program.

#### **Sample 2**

During the months leading up to the commencement of the Curtin MBBS program, I will begin/continue to work / job shadow / volunteer at (location) / I plan to travel, take care of / spend time with family / friends, community involvement / activism, etc.
